

5K INTENTIONAL WALK FOR ALS

On Saturday, June 10, 2017, our intention is to make ALS history. Set your own intention and join us for a 5k walk! Bring the whole family for a walk, including your little ones and 4-legged friends too!

ALS Double Play was founded in 2014, just three years after Cherrie's little brother, Christopher was diagnosed with ALS at the age of 32. ALS has no cure, no effective treatment...YET! ALS Double Play's mission is to raise awareness for ALS and raise funds for research. Christopher's battle with ALS ended in 2016, our continues. We will keep Christopher's dream for a world without ALS alive for him and the thousands more who suffer.

Cherrie and Christopher in 1982, long before ALS took hold of Christopher.

ALS FACTS

ALS is fatal | ALS has no cure | ALS has no effective treatment |
Every 90 seconds someone is diagnosed with ALS | Anyone can
be come sick with ALS |

2nd Annual Intentional Walk for ALS | June 10, 2017 | Markham Civic Centre | Registration and Kids Village Open at 8:30am | Walk begins at 10:00am |

My name is:

I will be walking to make ALS history on Saturday, June 10. To join me, or if you have any questions about ALS or the cause, please ask!
